

## Field Technician

United Human Resources – St Paul-Minneapolis, MN

United Human Resources (UHR) is partnering with a fast-growing IT Networking and Security company to fill this position. Our client is looking for a Field Technician that will be responsible for installing and maintaining their service offerings, including: Phone/Internet Services, Phone Systems, Structured Cabling, Alarm Systems, A/V Systems, and Managed IT Solutions.

### What you'd do:

- Become a part of a networking team and collaborate on projects
- Pull and route cable
- Install data and security devices, including wireless receivers, door strikes and cameras
- Install support structures

### What we're looking for:

- An organized, independent, and reliable individual
- Technicians familiar with structured cabling, or at minimum, basic understanding of construction, electrical, networking, or telecom
- Power Limited Technician (PLT) license highly preferred

### Why join the team?

- Collaborative and innovative company culture
- Opportunity for growth within a leading telecom company

### Who we are:

United Human Resources (UHR) is a recruiting agency that takes pride in hiring more than temporary solutions; we are looking to match you with your next career by establishing a relationship with you and our clients.

*UHR never charges candidates anything for applying to or accepting a position that we offer.*
