

Multi-Housing Maintenance Technician

United Human Resources – St Paul-Minneapolis, MN

What we're looking for:

An organized, independent and reliable individual with basic handyman skills who wants to grow their career in the maintenance field in the Multi-Housing industry. Multiple positions open for all levels of experience.

If you have:

- Experience in the areas of: basic plumbing, painting, HVAC and electrical
- Preferred 1-3 years' related maintenance or technical experience
- Flexibility for on-call availability (most positions)
- Ability to acquire Boilers' License or CPO (required for some positions)

We want you to:

- Prepare all vacant units to a market-ready condition.
- Perform various preventative maintenance functions and record in maintenance log.
- Complete regular inspections.
- Respond to service requests and concerns in a timely manner.
- Perform on-call emergency service as required.
- Maintain grounds and common areas.
- Monitor maintenance and up-keep of all mechanical equipment including, but not limited to, water heaters, HVAC units, etc.
- Perform other related duties as assigned or requested.

Why join our team:

- Competitive pay
- Growth opportunities

Who we are:

United Human Resources is more than a recruiting agency; we take pride in hiring more than temporary solutions and are committed to matching you with your next career by establishing a relationship with you and our clients. *United Human Resources never charges candidates anything for applying to or accepting a position that we offer.*
